

Art. no.: 348.45

OX-ON Steel sling Comfort 2 m

Features:

- Galvanized
- 8 mm steel wire
- Protective plastic sheath
- High tensile strength.

Colours:

grey

Product Description:

OX-ON Steel Sling Comfort 2 m is a steel sling of 2 metres, which you can use together with a self retracting lifeline cable or as an anchorage sling for example at steel sections, concrete panels and other material with sharp edges.

OX-ON Steel Sling Comfort consists of an extra strong 8.0 mm galvanised steel wire with protective plastic sheath. The steel sling has a tensile strength of >35 kN.

Please be aware that an anchorage point at minimum should be capable of withstanding a force of 1200 kg. (12kN)
