Product Description:

OX-ON Lanyard w/Carabiners Comfort 1 m is a work positioning lanyard of 1 metre, which you can for example use in connection with work in a lift (basket) with work positioning belt or for positioning of a person in a full body harness with work positioning belt. The lanyard is made of extremely durable 12 mm kernmantle rope with properties, which prevent the lanyard from twisting like traditional rope.

The work positioning lanyard is provided with 2 steel screw gate carabines, and it has high tensile strength of >32 kN. The 2 screw gate carabine each have an 18 mm opening and a tensile strength of 25 kN.
