OX-ON Harness V5 Supreme

Features:

- Extremely comfortable harness
- Unique freedom of movement
- Ergonomic support belt
- Flexibility
- Mobility

Colours:

black, yellow

Product Description:

OX-ON V5 Harness Supreme is a top-class 2-point body harness for those who need an extremely comfortable harness with a handsome design, back-support belt for positioning and completely unique freedom of movement. You can use the OX-ON V5 Harness Supreme harness for the vast majority of tasks and applications. Especially for, for example, scaffolding, roofing and mast work. The back support belt combined with a support line allows you to work using both hands.

With the harness, you get user-friendly click-lock buckles, which make it easy for you to put the harness on and take it off. With the many adjustment options, this is a unique harness, which gives you almost unlimited mobility and flexibility.

The OX-ON harness is designed with a strong, thoroughly tested 2-color webbing strap, and it is equipped with a strong aluminum D-ring on the back and two loops on the chest for anchoring. Rings in the belt allow you to attach tools, for example. On each side of the ergonomic support belt you have an aluminum D-ring that you can use to fasten a support line.
