

Art. no.: 348.64

OX-ON Webbing anchorage sling Comfort 2 m

Features:

- Extreme strength
- Easy handling
- Durable material
- Tensile strength >40 kN.

Colours:

yellow

Product Description:

OX-ON Webbing Sling Comfort 2 m is used for anchorage of the fall protection on e.g. load-bearing sections such as beams and rafters. The sling is made of extremely strong webbing polyester in 35 mm width, and you will find that it is very easy and quick to install. In addition, the sling only takes up very little space, making it very easy to bring along.

The webbing sling has a tensile strength of >40kN

Please be aware that an anchorage point at minimum should be capable of withstanding a force of 1200 kg. (12kN)
