Product Description:

OX-ON Hi-Viz Vest w/Quickbuckles Comfort is a yellow hi-viz fall protection vest for you, who need a high degree of visibility in connection with your work on e.g. scaffoldings, roofs or in the lift basket. Integrated in the vest is an extremely comfortable OX-ON V5 Harness Supreme full body harness with attachment options in the back as well as on the chest.

The harness has user-friendly quick-connect buckles, which make it easy for you to put it on and take it off. With its many adjustment options you have here a unique harness that gives you virtually unlimited mobility and flexibility. For positioning, a D-ring is fitted on each side of the belt.

The vest is manufactured in a fire/flame retardant material, and it is provided with 3M reflectors. At the front the vest has two large capacious pockets with button closure as well as a mobile pocket at the chest. The body harness is tested for 150 kg.
