Product Description:

OX-ON Lanyard w/ Hook Comfort 2 m is a 2-meter support line, which you can use in connection with, for example, work in a basket with a positioning belt or for positioning a person in a full-body harness with a back support belt. The line is made of extremely durable 14 mm kernmantle rope with properties that prevent the rope from twisting, which you experience with traditional rope.

The guide line is equipped with 2 pcs. auto-lock hooks with 18 mm opening and a breaking strength of 25 kN.

The support line has an adjustment buckle that you can use to adjust the line to the desired length.

Max. length is 2 meters.
