

Art. no.: 350.10

OX-ON TECMEN Blower Unit Comfort

Features:

- Air flow: 170 – 210 l/minute
- Visual, audible, and vibrating alarms
- LED indicator for filter/battery capacity
- Warning when battery level is low

Colours:

black

Product Description:

OX-ON Powered Air Comfort turbo unit.

Low weight and ergonomic design makes Tecmen comfortable to use for extended periods.

With this extremely robust motor unit model, the air flow can be adjusted at two levels. The low setting provides 170+ l/minute, while the high setting provides 210+ l/minute.

A particle filter as well as organic filter can be used with the Tecmen motor unit.

Both the battery and filter capacity can be clearly read via LED indicators on the turbo unit display.

Category: TH2

The OX-ON Powered Air Comfort has three alarm functions if the user's air flow falls too low: Visual, audible, and vibrating. There is also an alarm (which beeps and vibrates) to indicate low battery level.
