Features:

- Suitable for work with chemicals, colors, and varnishes
- Highly effective
- Quick and easy fitting
- Can be combined with OX-ON P3 filter for PAPR Comfort
- Suitable for OX-ON Powered Air Comfort

Colours:

black

Total CO2 emission:

N/A

Materials:

Total water consumption:

N/A

Product Description:

The OX-ON ABEK1 filter for PAPR Comfort is a gas/vapor filter suitable for the OX-ON Powered Air Comfort.

The OX-ON filter is a specially developed, safety-approved combination filter to protect your respiratory tract when working with chemicals – including organic vapors with a boiling point above 65 °C, acidic gases, ammonia, and solid and liquid particles. Among other things, the filter provides protection from wood preservatives, pesticides (spray pesticides), ammonia and amines, hydrochloric acid, and spray paint. (For the product from which you want protection, read more in section 8 of the datasheet.)

This highly effective gas and vapor filter can be replaced easily and quickly without using any tools.

Can be used with OX-ON P3 filter for PAPR Comfort.
