### Features:

- Extremely comfortable
- Click-lock buckles
- Many adjustment options
- Anchoring options on the back and at the chest
- Tested for 150 kg.

### Colours:

black, red

### Product Description:

OX-ON V33 Harness Comfort is a 2-point health belt for those who need a lightweight harness with a well-thought-out design, completely unique freedom of movement and unfailing comfort. OX-ON V33 Harness Comfort can be used for the vast majority of tasks and applications, and it is particularly suitable for, for example, scaffolding and roofing work.

The harness's click-lock buckles make it incredibly easy for you to put the harness on and take it off, and with its adjustment options at the shoulders and legs, you get a harness that is extremely easy to adjust so that it fits you perfectly. It gives you great flexibility when you wear the harness, and it ensures you solid working comfort when you wear the harness for a longer period of time.

The body harness is equipped with a strong D-ring on the back and at the chest, so you get a secure anchorage in connection with your work. The harness is made of strong and thoroughly tested 2-colored webbing straps. The body harness is also tested for 150 kg.
