Product Description:

OX-ON Positioning Belt Comfort L/XL is for you, who need a comfortable and padded lightweight work positioning belt in an ergonomic design.

At each side of the belt, you have a strong D-ring, which you use for positioning. In addition, the belt is provided with 2 smaller rings, wherein you can fasten your tools. The belt is made in a simple and easy-to-use design, which makes it extremely easy for you to operate and use.

The comfortable belt comes including a strong 12 mm adjustable kernmantle rope for positioning. Kernmantle has good qualities, and in addition to being extremely strong it does not twist like traditional rope. The rope can be adjusted to a minimum length of 90 cm and a max. length of 130 cm.

Moreover, please remember that the belt must not be used as a fall protection. It must only be used for positioning.
