Materials:

latex 68%
polyester 32%

Product Description:

OX-ON Flexible Supreme 1611 is a 100% waterproof glove for those who work with, for example, masonry and construction work, scaffolding, horticulture, gardening and renovation. The glove has exquisite fit, exceptional finger feel and unique suppleness while providing excellent grip - whether wet or dry. Therefore, the gloves are also the perfect choice for the most demanding tasks. With OX-ON Flexible Supreme 1611 you get an extremely soft and comfortable glove that has a double latex coating: The inner coating, which is orange, keeps your hands dry. The outer coating, which is black, provides an extraordinarily good grip. The knit is made of polyester so that the glove is comfortable to wear.
