1.045 Kg CO2 eq.

### Materials:

nitrile 40%  
recycled polyester 30%  
nylon 27%  
spandex / lycra 3%

**Total water consumption:**  
0.186 m3 world eq.

### Product Description:

The OX-ON Recycle Comfort 16301 is an all-round glove for anyone who needs a high level of accuracy and functionality at work. The glove is ideal for jobs such as sanding or assembly, and is intended for carpenters, joiners, masons, machine operators, masons etc. 50% of the glove's knit is made from recycled polyester derived from used plastic bottles and the rest from nylon and elastane. This ensures a high level of resistance to abrasion and a good fit. The glove is also Oeko-Tex certified, which is your guarantee that it does not contain hazardous chemicals or dyes. Recycle Comfort 16301 is a lightweight glove that fits snugly and comfortably. It is finger-dipped, and the palm is coated with nitrile foam, resulting in a precise and secure grip. The OX-ON Recycle Comfort 16301 is an excellent all-round glove for dry environments when extra finger sensitivity is required.

Overall, the gloves consist of 30% recycled material
