### Product Description:

OX-ON Eyewear Sport Anti-fog Comfort - Brown with anti-scratch is a lightweight pair of glasses in a smart, sporty design. Strong and impact-resistant safety-approved glasses with anti-fog properties for the person who works both indoors and out and needs good visibility.

The frame and lenses are made of polycarbonate, which makes the glasses extremely strong and impact-resistant, so they can be used in demanding environments. In addition, the glasses have a soft nose bridge and soft, padded temples, providing a comfortable fit when you have to wear them for a longer period of time.

The lenses have optical class 1 certification, which means the glasses are for permanent use.

OX-ON Eyewear Sport Anti-fog Comfort provides you with 99.9% protection against UV radiation.
