### Materials:

nitrile 39%  
recycled polyester 31%  
nylon 28%  
spandex / lycra 2%

### Product Description:

The OX-ON Recycle Supreme 16602 is an exclusive and particularly durable all-round glove for when you need optimum finger sensitivity and effective protection, whether for joinery, masonry, grinding, auto or assembly tasks. And 50% of the glove's knit fabric is made of recycled polyester derived from used plastic bottles. The glove will fit your hand perfectly when worn. The palm and fingers are entirely coated in nitrile foam, giving you the sensation that you aren't wearing gloves at all. The glove's composition of recycled polyester, nylon and elastane provides full breathability on the palm and wrist, which also makes this glove extremely flexible and comfortable, giving you a secure grip. The OX-ON Recycle Supreme 16602 is also Oeko-Tex certified, which is your guarantee that it does not contain hazardous chemicals or dyes.

Overall, the gloves consist of 31% recycled material.
