Product Description:

The OX-ON Worker Basic 2007 is a comfortable work glove for working in warehouses, light industrial, trade work or in the garden. Gives great comfort and flexibility, and the slip-on model makes it easy to put on and take off quickly. The upper is made in polyester, which provides a good fit and mobility. The palm and fingertips are made from thin goatskin, which makes the gloves both flexible and soft with good finger sensitivity. Worker Basic 2007 is an affordable work glove for a variety of uses professionally and privately.
