Product Description:

OX-ON Worker Supreme 2611 is for those looking for a quality glove for CO2 welding or rougher industrial tasks. The glove is very soft and comfortable and made of hard-wearing leather, which protects your hand and forearm from heat and embers. Extreme comfort thanks to the inner cotton lining, which makes it convenient to wear the OX-ON glove for long-term work tasks. Sewn with Kevlar thread, which is significantly stronger than traditional thread. Exclusive quality and durability in a work glove that can be used both professionally and privately.
