Product Description:

OX-ON Flexible Advanced 1906 is a work glove of the highest quality, with dots added to the palm to give you an even better grip in both dry and damp environments.

The glove is extremely durable and fits as if it were made for you. The fit is exquisite and extremely comfortable to wear day after day—no matter what your profession may be. The glove is knitted nylon and elastane, giving you a unique breathability, while the flexibility and comfort are unsurpassed. The palm and fingers have been coated with nitrile foam in special quality that allows you to maintain fingertip touch sensitivity and a precise and secure grip. The Advanced 1906 glove is OekoTex certified. This is your guarantee that the glove does not contain chemicals or dyes that are hazardous to health or the environment. The glove is The glove is treated with the Sanitized process so it feels fresher for a longer time and protects you from bacteria and perspiration odors. The durability is extended by the fact that the glove can be washed up to twice at 40 degrees and tumble dried at low
