Product Description:

OX-ON Winter Supreme 3609 is the ultimate winter glove in first-class quality, sleek design and with velcro closure. It is for you, who work with e.g. carpentry, in a warehouse, as an electrician or with lifting and assembly. The OX-ON glove is winter-lined so that you can keep warm without any problems. The palm is made of PU, which ensures a stable and firm grip, while the Hipora insert of the winter glove also makes it waterproof. The back of the hand is made of polyester and in combination with the Hipora insert, it makes the glove breathable on the back of the hand. Winter Supreme 3609 is made of exclusive materials that make both fit and flexibility completely exceptional - whether you need to use it professionally or privately.
