Product Description:

The OX-ON Flexible Comfort 1308 is the glove for anyone who needs a good grip when working with light lifting, simple assembly tasks and in warehouses. Whether using the flexible glove professionally or privately, you'll get a well-fitting and comfortable glove that does not compromise on functionality. The palm and fingers of the glove are made with a thin, durable PU coating that provide excellent finger sensitivity. At the same time, the glove's knit is made of nylon, which ensures a perfect fit for anyone working with precision tasks such as carpenters or mechanics. The Flexible Comfort 1308 is silicone-free.
