Product Description:

The OX-ON Worker Basic 2310 is a comfortable and supple glove for working in warehouses, assembly or light industrial work. The glove is made of nylon and polyester, which gives you optimal flexibility and a very good fit. The palm, thumb and fingertips are made of goatskin for softness and suppleness. Worker Comfort 2310 has a Velcro closure at the wrist, which helps the glove to sit snugly and comfortably on the hand. This model gives you an attractive glove that you can use both professionally and privately, while working in the garden or doing light repairs.
