

Art. no.: 92743

OX-ON Tool Safety Lanyard Comfort

**Features:**

- Max. load 2 kg
- Elastic and flexible
- User-friendly carabiner
- Light weight

Colours:

black

Product Description:

OX-ON Tool Safety Lanyard Comfort is used to secure tools when working at a height in connection with, for example, scaffolding and roofing. Elastic tool line with carabiner hook and adjustable locking of tool fastening with a maximum load of 2 kg. OX-ON Tool Safety Lanyard Comfort has superb shock absorption if the tool is dropped. All-round tool securing where additional accessories can be added so that all tools can be connected to the safety line. Can be attached directly to tools with holes or using a fastening point with suitable load strength.
