Product Description:

The OX-ON V33 Adventure Power Harness Supreme is the top-class 2-point harness for those who need an extremely comfortable harness with a complete design and completely unique freedom of movement. You can use the OX-ON V33 Adventure Power Harness Supreme for many tasks and applications. For example, scaffolding/roof work. The belt's click buckle makes it incredibly easy for you to put/take the belt on and off, and with user-friendly adjustment points, you get a belt that is extremely easy to adjust so that it fits you perfectly. It gives you great flexibility when wearing the harness. At the same time, padding around the shoulders and thighs ensures that you enjoy sublime working comfort when you wear the harness for a long time. The safety harness is equipped with a strong D-ring with a fall indicator on the back, and a strong O ring on the chest for anchoring. The harness is made of strong, well-tested and reflective 2-color webbing tape, which has a surface treatment against oil and dirt, which makes the harness particularly dirt-repellent and easy to clean and maintain. The body harness is tested for 150 kg.
