Product Description:

OX-ON NBR Comfort 8304 is for those working in wet environments, e.g. in sewerage, masonry or construction work, renovation, construction, transport or industry. The palm, fingers and all the way up to the knuckles are covered with yellow NBR nitrile for a firm grip when working in wet environments. The back is made of cotton for comfort and space to breathe. The glove's ribbed cuff closes snugly around the wrist and provides a particularly good fit. NBR Comfort 8304 is a functional and durable work glove that preserves finger sensation and protects your hand while you work.
