## OX-ON NBR Basic 8001

### Features:

- Suitable for work in wet environments
- Affordable
- Solid grip

### Colours:

beige, yellow

### Materials:

cotton 55%  
nitrile 45%

### Product Description:

The OX-ON NBR Basic 8001 is the affordable glove for working in wet environments, such as wastewater, masonry or construction work, waste disposal, construction, transportation or industry.

The palm, fingers and all the way up to the knuckles are covered with yellow NBR nitrile for a firm grip when working in wet environments. The back of the hand is made of cotton which feels comfortable on your hand and makes it possible for the skin to breathe. The glove's knitted cuff closes snugly around the wrist and provides a particularly good fit.

The NBR Basic 8001 is a functional and durable work glove that retains dexterity and protection whilst working.
