Product Description:

The OX-ON NBR Supreme 8602 is the affordable glove for working in wet environments, such as wastewater, masonry or construction work, garbage collection, public works, transportation or industry. The palm, fingers and all the way up to the knuckles are covered with blue NBR nitrile for a firm grip when working in wet environments. The back is made of cotton for comfort and space to breathe. The glove's ribbed cuff closes snugly around the wrist and provides a particularly good fit. The NBR Supreme 8602 is a functional and durable work glove that retains finger sensitivity and protection.
