Product Description:

OX-ON SRL 2 m Twin Lanyard Comfort is equipped with two light and compact, self-retractable fall arresters with two large user-friendly scaffolding hooks. Can be used in connection with e.g. scaffolding and mast work. Made of strong, 16 mm webbing tape with integrated fall arresters. OX-ON SRL 2 m Twin Lanyard Comfort has a working length of up to 2 m. The swivels connected to the large scaffolding hooks ensure that the webbing bands do not become twisted. Tested and certified for users between 50 kg and 150 kg. May only be used vertically. For further information on the required ground clearance, please refer to the enclosed user manual or contact OX-ON.
