Product Description:

OX-ON Safety Goggle w/Face Shield Supreme is a safety-approved goggle with an integrated face shield, specially designed for work involving assembly, transportation, wood and construction, etc.

OX-ON Safety Goggle has a wide field of vision and an anti-fog coating, making it ideal for high humidity and condensation environments.

The goggle is detachable from the face shield for wearing on its own, and the shield itself can be flipped up.

The frame is made of a soft material, ensuring that the face shield adapts to your face for a snug fit. OX-ON Safety Goggle w/Face Shield Supreme is made of scratch and impact resistant polycarbonate.

It features an elastic neck adjuster, allowing you to achieve a quick and easy fit during your work. The goggle is suitable for wearing over prescription eyewear. In addition, the ultralight, innovative face shield design makes it comfortable to wear for longer.
