OX-ON Flexible Basic 1008

Features:

- Affordable
- Durable
- Solid grip

Colours:

green, yellow

Materials:

latex 45%
polyester 30%
cotton 25%

Product Description:

The OX-ON Flexible Basic 1008 is the economically attractive glove for rough work. The Flexible glove is especially suitable for construction, masonry, contracting, scaffolding, agricultural and forestry work. Flexible Basic 1008 is a finger-dipped knitted glove that provides protection, ensuring full comfort and flexibility, while the thick latex coating on the fingers and palms gives a truly unique grip.

The knit is made of polyester, which ensures a good fit and high durability for long-lasting comfort even with intensive use.
